## BIOGRAPHICAL NOTE

Born in 1943 in the city of Puebla, México. A self-taught fine artist who began painting professionally in 1963.

During the early seventies Ramos Brito lived for some time in Europe creating fascinating work and he alternated these projects with the foundation of a Decorative Arts Institute, the opening of his own gallery and teaching art. Shortly after, Ramos Brito managed to display his works individually in several cities in Spain. From then on, a long period of simultaneous exhibitions in Europe and the Americas began.

Among his most outstanding solo exhibitions are those held at Gallerie Rahn, Galerie Space and Galerie Kunsthaus Ritchenswil, in Switzerland; Galerie Le Arie del Tempo in Genoa , Italy, and the Granada Room at the Hyatt Regency Coral GablesHotel in Miami Florida.

As for collective exhibitions, we can mention the ones organized for the Salón Nacional de la Plástica Mexicana , The Museum of China; The Montreux Art Gallery in Switzerland; the Setagaya Art Museum in Japan;and the Lankershim Arts Center in Los Angeles, California, among many other venues.
